YOUR PERFECT PARTNER.
FOR WORK OR PLAY.

Click to see how Transit Connect gets it all done.

Available in Van and Wagon configurations, you’ve got the perfect partner for work or play in the 2015 Ford Transit Connect.

The ideal tool to bring your business to life, Transit Connect Van features best-in-class cargo room (almost 6 cu. ft. more than its nearest competitor) and a flat load floor behind the front seats. With its durable vinyl floor covering, deliveries or on-site business calls are a snap.

With seating for up to 7 and multiple storage bins, Transit Connect Wagon is the ideal space for busy families on the go.

A class-best EPA-estimated highway fuel economy rating of 30 mpg is yours when you equip Transit Connect with the 1.6L EcoBoost I-4 engine. Whether building your business or making memories, you’ll go further in a 2015 Ford Transit Connect.
YOUR ACCESS TO ADVENTURE.

Open your door to adventure with Ford Transit Connect Wagon. Enjoy easy entry and exit thanks to dual sliding side doors, as well as your choice of rear liftgate (shown at right) or 180° swing-out rear cargo doors.

Ready to adapt at a moment’s notice, this functional vehicle is prepared for anything. If your day starts with passengers, a low step-in height makes entry and exit easy for everyone. Need to go to the market later? There’s plenty to appreciate along the way.

Enjoy a panoramic fixed-glass Vista Roof with power sunshade, plus power 2nd-row windows with one-touch-up/-down. In short-wheelbase models, 2nd-row seats fold forward or can be removed. In long-wheelbase models, 2nd- and 3rd-row seats fold down to create a flat load floor.

With more available configurations on the long-wheelbase Wagon than any other vehicle in its class, your options are wide open. Carry passengers. Personal gear. Or carry it all together. No worries here.

FUELS YOUR ENTHUSIASM.

Transit Connect is the perfect match for high-energy lifestyles.

Class-best performance comes from the turbocharged, direct-injection 1.6L EcoBoost® I-4 engine1 that delivers 178 hp,2 184 lb.-ft. of torque and a maximum towing capacity of 2,000 lbs.2 The 1.6L also has a class-best EPA-estimated rating of 30 hwy mpg.4 To maximize aerodynamic efficiency and maintain ideal EcoBoost engine temperatures, Transit Connect automatically opens and closes its Active Grille Shutters.

Shift for yourself, or leave it to Transit Connect, with the 6-speed SelectShift® automatic that’s mated to both engines, including the standard 2.5L I-4. Torque Vectoring Control, Curve Control and trailer sway control1 add additional layers of driving and trailer-towing confidence.

Throw additional light alongside the vehicle with cornering fog lamps1 which are great for pre-dawn adventures. To quickly clear fog, snow, sleet or ice, the Quickclear™ electric windshield defroster1 works alongside heated windshield washer jets1

1Available feature. 2Using 93-octane fuel. 3When properly equipped. 4EPA-estimated rating of 22 city/30 hwy/25 combined mpg. 1.6L EcoBoost. Actual mileage will vary.
DELCIVERS THE GOODS. 24/7.

With the front-passenger seat folded down, Transit Connect Van swallows up to 149.0 cu. ft. of cargo.¹

**Access is easy through dual sliding side doors.** or through your choice of rear doors: 180° swing-out cargo doors (great when you have a ladder rack up top) with or without fixed glass,² or a single liftgate³ with fixed glass that’s easy to raise and lower (even providing some rain protection when loading). With the room you need to stay on schedule, Transit Connect Van has a huge appetite for work.

**Showcase your company name and details** on Transit Connect Van’s large exterior panels, letting others quickly know your business.

**Thanks to a low load floor height** (under 2’), moving things in and out is no sweat. Add in a 36.1’ curb-to-curb turning diameter³ for negotiating tight places, along with a rear view camera² and Forward and Reverse Sensing Systems² for help in parking, and you’ve got a vehicle that helps you get more done—each and every day.
